Product Overview

Hand Sanitizer Gel with a 70% Alcohol strength anti-bacterial formula that is 99.9% effective in managing germs and viruses on hands. A safe, gentle, non-irritating formula clinically proven to sanitize hands, while leaving behind a clean feel without a sticky residue. It has a moisturizing effect that won't dry out hands. Made in British Columbia and Health Canada approved.

Use

Ideal for situations when washing hands with soap and water is not available. For home, business and retail settings. Safe for repeated use.

Safety Data Sheets available upon request.
